# School Choice Explained

Our School Choice Programme allows students to choose in which school they would like to be placed.

Students should select 3 schools from our School Choice list, in order of preference. Students will be placed (according to availability) in one of their selected choices from the school list.

Although every care is taken in order to fulfil the student's request, please note that schools may run out of places, particularly in case of a late application, so the choice cannot be guaranteed. In the unlikely event of all 3 schools requested being full, the student will be offered the choice of a different school from the above list or a place on the regular programme.

## Included in the programme

- ✓ School placement
- ✓ Host family accommodation (full-board)
- ✓ Optional accommodation during school holidays (excluding the summer break)
- ✓ Local support
- ✓ 24 hour Emergency line
- ✓ Airport pick-up and drop-off (at beginning and end of stay only)
- ✓ Orientation Meeting after arrival
- ✓ Progress reports
- ✓ Optional tours
